Meeting ID: 732 4998 6845

Passcode: PACmtg2021

Parent Advisory Committee – Join us for a discussion about special education procedures and programming within your school district. This is an opportunity to develop a better understanding of existing programs and provide input to help the district improve the special education services available in your child’s school.

Dr. Alan Schnee has been involved in teaching children with Autism Spectrum Disorder for almost 30 years. He is the director of Nexus Autism Intervention Services in Marlton, NJ, and is the co-author of [Early Intervention for Children with Autism: Considerations](#). Dr. Schnee offers a deep understanding of what it takes for children to acquire language and other complex abilities with sensitivity to children's tolerances and needs. <https://www.nexusais.com/>
