The Board of Education believes that standards for pupil behavior must be set cooperatively through interaction among the pupils, parents/guardians, staff and community members, producing an atmosphere that encourages pupils to grow in self-discipline. The Board of Education believes that the best discipline is self-imposed, and that it is the responsibility of staff to use disciplinary situations as opportunities to help pupils learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with pupils shall apply best practices designed to prevent discipline problems and encourage pupils' abilities to grow in self-discipline.

In considering whether a response beyond the individual is appropriate, the administrator shall consider the nature and circumstances of the act, the degree of harm, the nature and severity of the behavior, past incidences or past or continuing patterns of behavior, and the context in which the alleged incident(s) occurred.
